By FAX.

Dated 28<sup>th</sup> December, 2011.

To,  
The Member Secretary,  
State Pollution Control Board, Odisha,  
Paribesh Bhawan,  
A/118, Nilakantha Nagar, Unit-VIII,  
Bhubaneswar-751012.

Dear Sir,

**Sub: Request for an appointment on 3<sup>rd</sup> Jan,2012.**

This is regarding policy guidelines for control of water pollution in the Boiled Rice Mills of our State. Regional offices have issued notices to the rice mills to give and undertaking to install the ETP system within 6 months. Millers are totally confused since each ETP manufacturer gives its own design which varies from each other. As per informations available, most of the ETP units are under installation and the performance is yet to be tested and analyzed.

Moreover, we understand that there may be separate guidelines of waste water treatment for Rice Mills having sufficient available land ***and*** for Rice Mills with inadequate land space. There are also some other points which we would like to discuss with you.

We therefore, most humbly request you to kindly give us ***an appointment to meet you in your office on 3<sup>rd</sup> January, 2011 forenoon.*** The undersigned will be at Bhubaneswar to attend Procurement Review Meeting of Food Supplies Department at Secretariat in the afternoon and as such, we request for an appointment in the forenoon at about 11.30 AM or as may be convenient. A confirmation may kindly be faxed or informed over mobile to the undersigned.

Thanking you and wish you a very Happy New Year.

Yours faithfully,

Sd/-.

(Santosh Kr. Agrawal),  
Secretary.
