Government of Odisha,
Bhubaneswar-751001.

Dear Sir,

Sub: Revision of “Maximum period for delivery of CMR”.
From existing 60 days to 100 days.

We draw your kind attention to “Clause-12(a) Holding Charges” of the Millers Agreement with Oscsc Ltd. for KMS 2011-12 which stipulates that “*The Custom Miller shall be responsible for delivery of due CMR within a maximum period of 60 days of delivery of paddy to him*”. It further states that “If CMR was delivered by the custom miller belatedly, than he shall intimate in writing the reason of such delayed delivery to the District Manager for enquiry through field level officials for sanction of extended time of delivery.

As your honour is aware, *there is unprecedented problem in rice delivery throughout the State due to shortage of space at various Rice Receiving Centers*. It has become almost impossible to complete the delivery of due CMR within 60 days and every single miller may be required to intimate in writing to the concerned District Manager. *There will be huge volume of applications and proper processing by already over burdened district officials may be very difficult leading to un-ending Audit Objections and with holding of millers’ bills for no fault.*

In view of above, we most humbly suggest that *as a special case, the initial maximum period for delivery of CMR may kindly be extended to 100 days from existing 60 days without necessitating any written application for delivery upto 100 days*. Sir, this may likely to cover most of the rice delivery and the volume of written application will be drastically reduced.

Yours faithfully,

Copy to: Managing Director, Oscsc Ltd, Bhubaneswar.
