Bhubaneswar-751012.

Dear Sir,

Sub: Delivery of CMR to FCI for KMS 2014-15.

This is with reference to your letter No.17239 Dt.22.9.15 in the above matter sent to Commissioner-sum-Secretary to Govt, FS&CW Dept. requesting that “relaxation in delivery percentage of CMR to FCI may not be considered”.

We very much appreciate and welcome your above decision in view of the problem of surplus stock with Oscsc. *However, the ultimate result may not be as encouraging in favour of Oscsc as you may expect.* The reason is that delivery to FCI is not maturing and huge DCs are already pending *while* DC for delivery of CMR at RRCs are kept on withhold by the district authorities awaiting FCI delivery. This may seriously affect the over all delivery of rice by millers and the delivery period may stretch unexpectedly.

Unless someone stores paddy with himself, it may not be possible for him to realize *how difficult it is to maintain the color and luster in rice at this point of time.* There may be some serious communication gap between the millers and Oscsc for which the ground reality is not coming out. *Millers deserve to be appreciated for their efforts for creating an all time record in CMR delivery to FCI.*

We therefore, *most humbly suggest for convening an immediate meeting with the miller representative from all the districts* and also for reconsidering the relaxation in delivery percentage of CMR to FCI as your honour may think fit in the interest of early delivery of CMR in a best possible way.

Yours faithfully,

Copy to: Food Commissioner, Odisha.
