Ref: Our letter dated 07.01.2015, 19.01.15, 17.08.15 etc.  
Sub-Release of Withheld amount against deliveries of CMR at FCI

Sir,  
With reference to the above mentioned subject we would like to inform your good-self that an amount of **Rs.2,10,000/- (Rupees Two lakh ten thousand only )** was withheld by you for our deliveries made to FCI for **KMS 2013-14**. The same has been released by you on 29.09.2015 with following deductions.

|                                     |                     |                      |
|-------------------------------------|---------------------|----------------------|
| <b>Total Withheld amount</b>        |                     | <b>Rs. 210000.00</b> |
| <b><u>Less Recovery</u></b>         |                     |                      |
| Quantity Cut                        | Rs.3493.00          |                      |
| <b>Gunny Cut</b>                    | <b>Rs. 39960.00</b> |                      |
| Value Cut                           | Rs.44627.00         |                      |
| Total Recovery                      | <b>Rs.88080.00</b>  |                      |
| <b>Payment Made after deduction</b> |                     | <b>Rs. 121920.00</b> |

Your good-self will appreciate that we had delivered CMR to FCI in gunnies supplied by corporation. Hence any deviation in quality of gunny supplied is not the responsibility of the miller concerned. However we had also informed you time & again about the sub-standard quality of gunny being supplied to us. Hence such deduction on your part is completely unjustified and uncalled for. As such there has been significant delay in release of payment for CMR delivered within stipulated time of KMS 2013-14.

We therefore request your kind-self to kindly release the said amount of **Rs.39,960/- (Rupees Thirty nine thousand nine hundred sixty only)** with interest and oblige.

In anticipation of your continued co-operation.

Thanking You  
Yours faithfully
