

**Proceedings of the Weekly Paddy Procurement Review Meeting held on 12.04.2016 at 4.30 pm in the Conference Hall of FS&CW Department**

\*\*\*

The weekly paddy procurement review meeting was held under the chairmanship of Principal Secretary, FS&CW Department on 12.04.2016 at 4.30 pm in the Conference Hall of FS&CW Department. The following members/ their representatives were present in the meeting.

1. Addl. Secretary, FS&CW Department.	5. General Manager, TDCC
2. Managing Director, OSCSC Ltd.	6. Branch Manager, NACOF
3. Deputy General Manager, FCI, Bhubaneswar	7. Chairman, AORMA
4. General Manager(Proc.), OSCSC	8. Joint Secretary, AORMA

Odisha, being a DCP State, is procuring paddy directly from farmers by engaging State Agencies. The requirement of State under TPDS is around 19 lakh MTs of rice per year. The OSCSC Ltd. is the only agency which is accepting CMR on behalf of State Government for the PDS and related schemes. The same agency is managing the storage and further distributing under TPDS. The Food Corporation of India (FCI) in the State accepts surplus rice from Millers on behalf of OSCSC and other State agencies. It arranges to dispatch rice to deficit States to meet their PDS requirements.

**1. Procurement of paddy and delivery of rice for KMS 2015-16**

41,69,387 MT of paddy has been purchased in the current KMS 2015-16 which is 4% higher than procurement in the previous KMS.

Among the state procuring agencies, OSCSC has procured in all 30 districts. *TDCC* has procured in 7 districts i.e. Mayurbhanj, Sambalpur, Rayagada, Kalahandi, Sundargarh, Koraput and Nabarangpur allotted to it. *MARKFED* has procured in 8 districts out of 10 i.e. (Ganjam, Bolangir, Sambalpur, Nuapada, Bargarh, Mayurbhanj, Balasore and Kendrapara) allocated to it. *NACOF* has procured in Sonapur, Bargarh, Boudh and Bolangir Districts.

## **2. Review at District Level**

Collectors need to hold regular review meetings on procurement and PDS and send proceedings of such meetings to Government for reference and record. As procurement operation touches around 9 lakh paddy farmers of the State and 81 lakh families are covered under Public distribution System, such review would be crucial in every District. Principal Secretary, FS&CW Department observed that only few districts like Bargarh, Ganjam are sending copies of proceedings to the Department. Unless Collectors take regular reviews, they would not be able to identify the delivery gaps and plug them in a timely and effective manner. Collectors have been requested time and again for the same by this Department with the last letter bearing No.4013 dated 20.02.2016 issued in this regard. A reminder may be issued.

## **3. Need to ensure even spread of delivery**

Looking at the estimated procurement in current KMS there is a need to deliver about 80,000 MTs of CMR every week so as to evenly spread the delivery throughout the year and complete the same by 30.09.2016. CMR delivery during last two weeks were **1,84,866 MT**. M.D, OSCSC was to break up the target among districts to ensure quick delivery throughout the year. Collectors of Rabi paddy procuring districts like Bargarh, Sambalpur, Sonapur, Kalahandi, Koraput and Baleswar should ensure that delivery of Kharif CMR is completed by 30.04.2016. A communication in this regard has been sent to Collectors concerned, vide FS&CW Department letter No. 1527 dated 21.01.2016.

It was reported by MD, OSCSC that delivery to FCI has suffered in the wake of recent circular of FCI Hqrs which resulted in rejection of lots due to less tare weight of Gunny bags. As all gunnies are being procured from DGS&D, neither OSCSC nor millers have any role in reducing the weight of bags. Therefore CMD, FCI and GoI have been moved to sort out this problem

and take into account the moisture regain % in the BIS specification while taking the tare weight of gunnies. In its latest letter to CMD, FCI Hqrs on 12.04.2016 this Department has made a request for allowing an additional tolerance.

#### **4. Farmer Registration**

2,18,329 new farmers registered for the first time and 687531 farmers renewed their registration in 2686 societies with a view to sell paddy in the just concluded Kharif season. The total no of registered farmers comes to **9,05,860** in this KMS as against last year's total registration of 784462.

The modality for farmers registration for the Rabi procurement season has been communicated to all Collectors vide FS&CW Department letter No.6377 dated 28.03.2016. Registration has started from 02.04.2016. A training programme of Master Trainers was organised on 02.04.2016 at Bhubaneswar. These Master Trainers would train PACS/Civil Supplies officials in the district.

#### **5. Procurement of Paddy and Delivery of Rice for Kharif 2014-15**

During the last KMS 2014-15, 52,45,282 MT of paddy was procured by six Agencies and through Levy route. The following table shows the Agency wise procurement of paddy and delivery of rice (CMR) as on 12.04.2016.

405 MT of CMR was delivered to RRCs during the last two weeks.

Total rice delivery now stands at 35,39,313 MT which is 99.79% of the CMR due. A balance of 6363.71 MT of CMR is now left to be received from 8 millers. The list of 8 defaulting millers for KMS 2014-15 is at **Annexure-I**. These millers need to deliver the balance stock due from them without further

delay. Or else, OSCSC may initiate legal proceedings against them. Officers of OSCSC visited defaulting mills in the first week of April in order to check the mills and to expedite delivery of CMR dues.

### **6. Review on defaulting millers of KMS 2013-14**

The list of twenty one (21) defaulting millers during KMS 2013-14 with action taken against them is at **Annexure-II**. All cases of culpable default shall be booked for criminal liability and FIRs filed in concerned Police Station. Further, all cases are to be covered under OPDR Act for recovery of dues.

### **7. Status of claims pending with National Insurance Company**

Sl. No.	Name of the Miller	District	Month of Occurrence	Estimated Loss as Intimated to NIC(In Lakh Rupees)	Nature of Claim
1	Jagannath Rice Mill	Jagatsinghpur	Oct-13	86.55	Phallin
2	Laxmi Modern Rice Mill	Balasore	Jul-14	52.00	Fire
3	Radharani Rice Mill	Sambalpur	Aug-14	524.10	Flood & Fire
4	Mohini Rice Mill	Sambalpur	Aug-14	70.51	Flood
5	Bajrang Rice Mill	Sambalpur	Aug-14	76.15	Flood
6	Reetu Rice Mill	Sambalpur	Aug-14	151.87	Flood
7	MSB Food Products	Sonepur	Aug-14	1076.34	Flood & Local Cyclone
8	Matrusakti Rice Mill	Kalahandi	Jul-15	9.36	Fire
9	Divya Rice Mill	Koraput	Sep-15	51.00	Fire

National Insurance Company has failed to settle the above cases even after a long time and regular pursuance. It was informed by MD, OSCSC that since one miller (Sl.No.7: MSB food products) has himself signed in the loss statement prepared by Surveyer, NIC has rejected its higher claim. A consortium of companies has been given assignment for KMS 2015-16 for insurance coverage of paddy given to millers by OSCSC. There has been no progress with respect to pending insurance cases. Hence a meeting is required with the insurance company to follow up the matter. MD may follow it up.

### **8. Evacuation of Rice from Surplus to Deficit District**

OSCSC should work out the PDS needs of districts along with an analysis of availability of CMR in the district to find out deficit/surplus position and put in place a plan for movement of rice from surplus districts to deficit ones. Stocks in the RRCs of surplus districts should be regularly evacuated to facilitate receipt of CMR from Millers. MD & GM (Proc) may give a movement plan for surplus Districts like Bargarh, Kalahandi, Sambalpur, Sonepur, Bhadrak & Balasore.

(In MTs)

The receiving CSOs should send their lifting officers to supplying districts to ensure timely movement of CMR. This will ensure timely consumption of CMR of 2014-15 KMS in accordance with FIFO principles.

### **9. FIFO principle in evacuation of rice**

It was reported that 411.67 MT of CMR of KMS 2013-14 are available in three districts as per **Annexure-III**. Nuapada has 339.54 MT BRL stock (2013-14) of rice. These stocks are to be liquidated forthwith and compliance submitted by OSCSC.

OSCSC has 41,610 MT of CMR of KMS 2014-15 in its RRCs. M.D, OSCSC has submitted district wise analysis of rice stock for the KMS 2014-15 which is at **Annexure-IV**. Six districts, namely, Bargarh (13,626 MT), Kalahandi

(17,044 MT), Sambalpur (60 MT), Bolangir (2260 MT), Sonepur (2858 MT) and Nayagarh (1899 MT) have 37,747 MT which need to be evacuated out. It has come to notice that Cuttack, Keonjhar, Angul, and Khordha are not sending lifting officers to get stock. The receiving CSOs may be directed again to receive the same in time. MD was requested to follow it up with receiving CSOs.
