Sub: Communication & Implementation of Rates payable to custom millers by OSCSC for KMS 2015-16 as decided on 08-03-16.

Respected Sir,

Most respectfully we would like to inform your good-self that OSCSC is yet to communicate & implement the rates payable to custom millers for KMS 2015-16. Your lordship will appreciate that before the commencement of the **KMS 2015-16** we were assured by the government that the **Transportation Charges and other incidentals** will be increased and based on the same we carried out the CMR operations successfully throughout the year. Several rounds of meeting were conducted in presence of the **Principal Secretary, MD-OSCSC and miller representatives** to decide on the quantum of increase and finally a consensus was reached during the meeting on **08-03-16** and the new rates of transportation and other incidentals was decided upon. However the increased rates have not been communicated and implemented till date.

The millers of the state have carried out their responsibility based on assurance of the government to act upon their long pending demand to increase the incidentals but non-implementation of the same is increasing resentment amongst the miller fraternity. Your kind-self will appreciate that with various costs increasing every year it has become very difficult on miller's part to work with old rates. Hence we request you to kindly implement the new rates as was decided during the said meeting on 08-03-16 for **KMS 2015-16** and infuse fresh motivation & trust amongst the millers of the state to work wholeheartedly for the forthcoming Khariff season.

Looking forward to your continued support & co-operation.

Yours Faithfully

For All Orissa Rice Millers Association
