Dear Sir,

**Sub: Procurement by other district millers during 2011-12.**

Enclosed please find copy of letter dated 12.11.2011 of Cuttack District Rice Millers Association on the above subject. Unless other wise necessary, generally millers from other districts may not be engaged in procurement at the initial stage of procurement. Target for procurement has already been reduced this year and local millers may not be able to utilize their installed capacity.

Your honour may kindly appreciate that procurement by millers from other districts generally involve long distance transportation of both paddy and rice involving revenue loss with possibility of unchecked transactions.

We therefore, most humbly suggest that participation of millers from other district may be allowed only at a later stage if the local mills are unable to coupe with the paddy arrival. An appropriate guideline may kindly be issued to all the Collectors in this regard for maintaining uniformity through out the State and oblige.

Enclo: Copy of letter as above.

Yours faithfully,

Sd/-.

(Santosh Kr. Agrawal),  
Secretary.
