Dated 26th February, 2013.

Points for discussions with Commissioner-cum-Secretary, FS & CW Dept. during meeting at Bhubaneswar.

1. Requirement of additional space by FCI in Boudh District.
2. Proposal for Study on Fixation of Normative Milling Charges by Officials of Tariff Commission as proposed by GOI.
3. Immediate assessment and deduction of amount towards rebate, if any from bills of millers by Oscsc on CMR delivered to FCI on the basis of Final Rice Acceptance Notes issued by FCI without waiting for payment statement. With holding of adhoc amount of 20% from bills for months together is very painful and humiliating.
4. Black listing of some of the Jute Mills for supplying inferior quality of gunny bags with illegible branding on regular basis to avoid identification with malafied intention.
5. Acceptance of copy of electricity bill of previous month for proper assessment for the purpose of verification report instead of weekly meter reading which is not authenticated and may be misleading.
6. Request for proper uploading of Proceedings of Review meetings with enclosures on e-despatch and mention of Miller Association Representative in the list of members present.
