Bhubaneswar-751012.

Dear Sir,

Sub: Revised rate of insurance & gunny depreciation charges.

We draw your kind attention to the discussions held with your honour during meeting with members of our Association on 5th Nov,2011 in your chamber. In course of discussions, the above two matters were also discussed along with other related matters and we were informed that the rate of insurance charges on paddy for KMS 2010-11 has been reworked and revised to 35 paise per quintal instead of earlier 80 paise per quintal.

Further, you have been kind enough to inform about payment of gunny depreciation charges at the revised rate of Rs.23/05 per quintal rice instead of earlier rate of Rs.20/40 as per revised costing sheet dated 11.4.2011 issued by Government of India for 2010-11 KMS.

Bills of custom millers for 2010-11 are almost ready for payment and an early issuance of letters to all District Managers will avoid un-necessary revision of bills while proper deduction of TDS will also be ensured.

We therefore, request your honour to kindly issue instructions for charging insurance charges @35 paise per quintal and payment of gunny depreciation/differential gunny depreciation as per revised rate of 23/05 paise per quintal rice. Refund of excess amount of insurance charges collected, if any may also be refunded and oblige.

Yours faithfully,

Sd/-.
(Santosh Kr. Agrawal),
Secretary.
