Dated 30th January, 2012.

Points for discussions during Procurement Review Meeting with Hon'ble Commissioner-cum-Secretary, FS&CW Dept, Bhubaneswar on 30th January, 2012.

1. Waiver of requirement for furnishing Solvency Certificate where the miller has furnished security deposit as per his milling capacity to Oscsc Ltd.
2. Payment of Mandi handling charges to Millers in case PACs are unable to carry out Mandi handling operations and millers had to perform as such.
3. Diversion of target to OSCSC from other agencies who are not actively participating in paddy procurement.
4. Shortage of storage space for delivery of CMR in some districts of coastal belt and elsewhere. Nearby consuming districts like Kendrapara etc. may be allotted more stocks from Bhadrak as usual.
5. Delivery of Oscsc CMR to FCI in some districts, if required may be ensured without any partiality amongst the millers.
6. Sample verification of milling capacity of 2 to 5 millers (depending upon number of mills in a district) of each district to ascertain genuineness of data furnished during online registration.
7. Request to GOI for inclusion of Insurance Premium paid on Paddy/Rice for coverage against Fire, Floods & other natural calamity in the economic cost sheet of CMR instead of recovering it from the bills of custom millers.
8. Any other matter.

Santosh Kr. Agrawal,
Secretary.
