Bhubaneswar-751012.

Dear Sir,

Sub: Revision of Security Deposit for 2011-12 KMS.

Most respectfully we draw your kind attention to our earlier letter dated 24th November, 2011 on the above subject. A detailed proposal has been submitted therein for your consideration. Copy of letter is enclosed for your ready reference.

In the meantime, a meeting of Our Association was held on 30th November, 2011 at Bhubaneswar to discuss various issues and the matter of Security Deposit was the main issue. More than 100 miller representatives from different districts were present and all have agreed and supported the proposals sent by our Association vide letter dated 24th Nov,2011 which has also proposed higher security for higher capacity mills in a more rational way.

At present, there is no uniformity in the principals adopted by different districts. Some districts are accepting Rs.1 lakh per Ton/hour capacity while some are asking for Rs.1 lakh per Ton/8 hour capacity. There is confusion all over and millers are not able to execute agreements and participate in custom milling operations.

We therefore, most humbly suggest that the millers may be allowed to furnish security deposits as per last year till the matter is reconsidered and finalized. This will ensure immediate start of procurement as well as avoid any possible distress sale of paddy. Hope, this will receive your immediate attention.

Enclo: Copy of letter as above.

Yours faithfully,

Copy to: Food Commissioner, Bhubaneswar.
