Dear Sir,

Sub: Allowing shortage upto 1% in Paddy stock instead of cash Reimbursement for driage to Raw Rice Millers.

Most respectfully we draw your kind attention to the discussions held with your honour in the above matter during meeting on 9th Oct, 2012. In view of audit observations, the matter was also discussed earlier in procurement review meetings with consensus to allow driage in paddy stock upto 1% as allowed by GOI for Raw Rice Producing Rice Mills. Nafed has already started implementing this where ever possible during the KMS 2011-12. The matter was brought to the notice of the millers by our Association and some of the millers have already shown shortages in paddy instead of claiming reimbursement in cash.

We therefore, request that suitable instructions may kindly be issued to accept shortages in paddy upto 1% instead of cash payment to raw rice millers who have already shown shortage during KMS 2011-12 while millers who have delivered entire equivalent raw rice without claiming shortage in paddy during KMS 2011-12 may be reimbursed in cash as per Oscsc Letter No.461 dt.4.1.12. *Settlement of bills of millers for KMS 2011-12 are in process and an early action in the matter is earnestly requested.*

Yours faithfully,
